

Adoption Application

We take very seriously the responsibility of placing our puppies in the most loving and nurturing homes. We realize the process is daunting to some, even extreme, but we find the more effort being made to ensure our puppies will be living with a family that is dedicated to a long healthy future with their pet, the better opportunity we all have of success.

Copy and paste this information below for your email:

Contact information for where the puppy will be living, including **Name, Address, Telephone numbers**, and **E-mail** address...

Why did you decide on a Labrador Retriever for your new pet, and have you familiarized yourself with the characteristics of the Lab?

Have you ever owned a dog and been responsible for his/her care, training, etc.? If not still living with you, what were the circumstances surrounding his/her departure?

Will the puppy share a home with others besides yourself? Spouse - Children - Other Animals?

Please provide ages of children.. If you have pets, what are they, and have they been neutered?

Do you have a preference for color or sex of your new puppy? If so, why?

- Chocolate Male
- Chocolate Female
- Yellow Male
- Yellow Female
- Black Male
- Black Female
- chocolate - no sex preference
- yellow - no sex preference
- black - no sex preference
- Male - no color preference
- Female - no color preference
- no sex or color preference
- other - time of year preference, or certain dam..

Are you applying with hopes of adopting a puppy from a certain litter or wanting to apply for the next availability? Do you have a time-of-year preference? If yes, please be specific..

- yes
- no

Are you certain you are able to afford not only the purchase price of the puppy/dog, but the ongoing care and maintenance of him/her for the next 10 - 15 years?

- yes
- no

What are your and your spouse/partner's professions and are they conducted outside the home?

Will there be someone at home to supervise the puppy during the day?

- yes
- no

How long will puppy be on his/her own on average during the day?

- hardly ever - someone will be at home with the dog most days
- four hours or less
- eight hours or less
- more than 8 hours
- I intend to take the puppy with me to work or most places I travel

Will the puppy reside indoors or out?

- indoors with the family
- outdoors in contained area with insulated dog house

Do you have a fenced yard or fenced, dedicated space for the puppy exercising and eliminating?

- yes
- no

If so, please describe...

Do you live in a ...

- home

- apartment
